EDUCATION

Examination	University/Board	Institute	Year	CGPA / %
Graduation	Anna University	Karpagam College of Engineering	2026	7.8 (up to 6 th semester)
HSC	State Board	Adhiyaman Matric Higher Secondary School	2021	89.25
SSLC	State Board	Adhiyaman Matric Higher Secondary School	2019	89.6

SKILLS SUMMARY

Languages: Java, SQL, HTML, CSS, Javascript

Core Areas: Cyber Security, Computer Networks, DBMS, Web Development

Frameworks / Technologies: React, Spring Boot, Flask, API, Tailwind CSS, Firebase

Developer Tools: VS Code, Jupyter Notebook, IntelliJ, Eclipse, MySQL, GitHub, Docker, MongoDB

PROJECTS

ShopVerse – E-commerce Bookstore 🔗 | [React.js](#), [Spring Boot](#), [MySQL](#), [MongoDB](#) **Apr 2025 – Present**

- Led a team in designing and developing a full-stack e-commerce bookstore platform that enables users to explore, search, and purchase books seamlessly through an interactive interface.
- Engineered a responsive frontend using **React.js** and **Tailwind CSS**, ensuring consistent user experience across devices and increasing engagement by enhancing visual appeal and performance.
- Integrated **Razorpay** payment gateway with **Spring Boot** for secure transactions and order confirmations.

Anti-phishing and Malicious URL Detector 🔗 | [Python](#), [Flask](#), [MongoDB](#) **Nov 2024 – Dec 2024**

- Developed a **machine learning-based malicious URL detector** capable of identifying phishing and harmful links by analyzing URL features, metadata, and behavioral patterns.
- Designed an intuitive web interface that quickly classifies URLs, helping users make security decisions.
- Integrated **Flask** backend with **MySQL** for storing analysis results and streamlining data-driven risk assessment.

Weather Forecasting System 🔗 | [HTML](#), [CSS](#), [Javascript](#), [API](#) **Sep 2023 – Dec 2023**

- Developed a Weather Forecasting System that delivers accurate predictions by fetching real-time data through an integrated external API, ensuring reliability and precision in weather updates.
- Designed a user-friendly interface that provides current conditions and hourly forecasts.

INTERNSHIP

Cloud Computing **Aug 2024 – Oct 2024**

Intern

India

- Gained foundational knowledge in cloud infrastructure, virtualization, and simple deployment strategies on popular platforms.

EXTRACURRICULAR

CryptX Club

Present

President

Karpagam College, Coimbatore

- Led a community of cybersecurity enthusiasts, organizing events and workshops to promote knowledge sharing.
- Managed club activities and collaborations, fostering a vibrant and engaging environment for members.

CERTIFICATIONS

- NPTEL - Introduction to Industry 4.0 and Industrial Internet of Things
- GUVI - C Programming
- Google Developers Launchpad - Programming Hub - Git, Github
- Introduction to MongoDB - ICT ACADEMY
